Film multiple testimonials in one session and lower the per-video cost

Setup, lighting, teardown, and travel happen once. Each additional subject mainly adds edit time.

Rates shown are per subject, post-production included.

2 subjects ≈ \$650 each

3 subjects ≈ \$475 each

in-studio, all post included

Optional add-ons

Add these when you want a more complete content package from the same shoot.

B-roll Package

Environmental, product, or team footage captured same day and woven into the edit.

+\$350

Branded Intro/Outro

Animated opener and closer using your logo and brand colors, applied to every video.
